Sizing lines

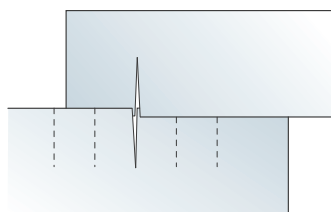

## Instructions

1. Print out and cut around the headbands on this page, but leave the row of sizing lines on Band 2 for now. On the next page cut around the dotted line of the central headband piece and continue around the ears.
2. Glue or tape the two headband pieces to the central piece, matching up the guide triangles together as shown.
3. Test the fit on your head and choose one of the sizing lines on Band 2 to give a good fit. Then cut that line.

That's it! Pip's ears are ready to wear!  
Follow the same instructions for Posy's ears.

### Tip

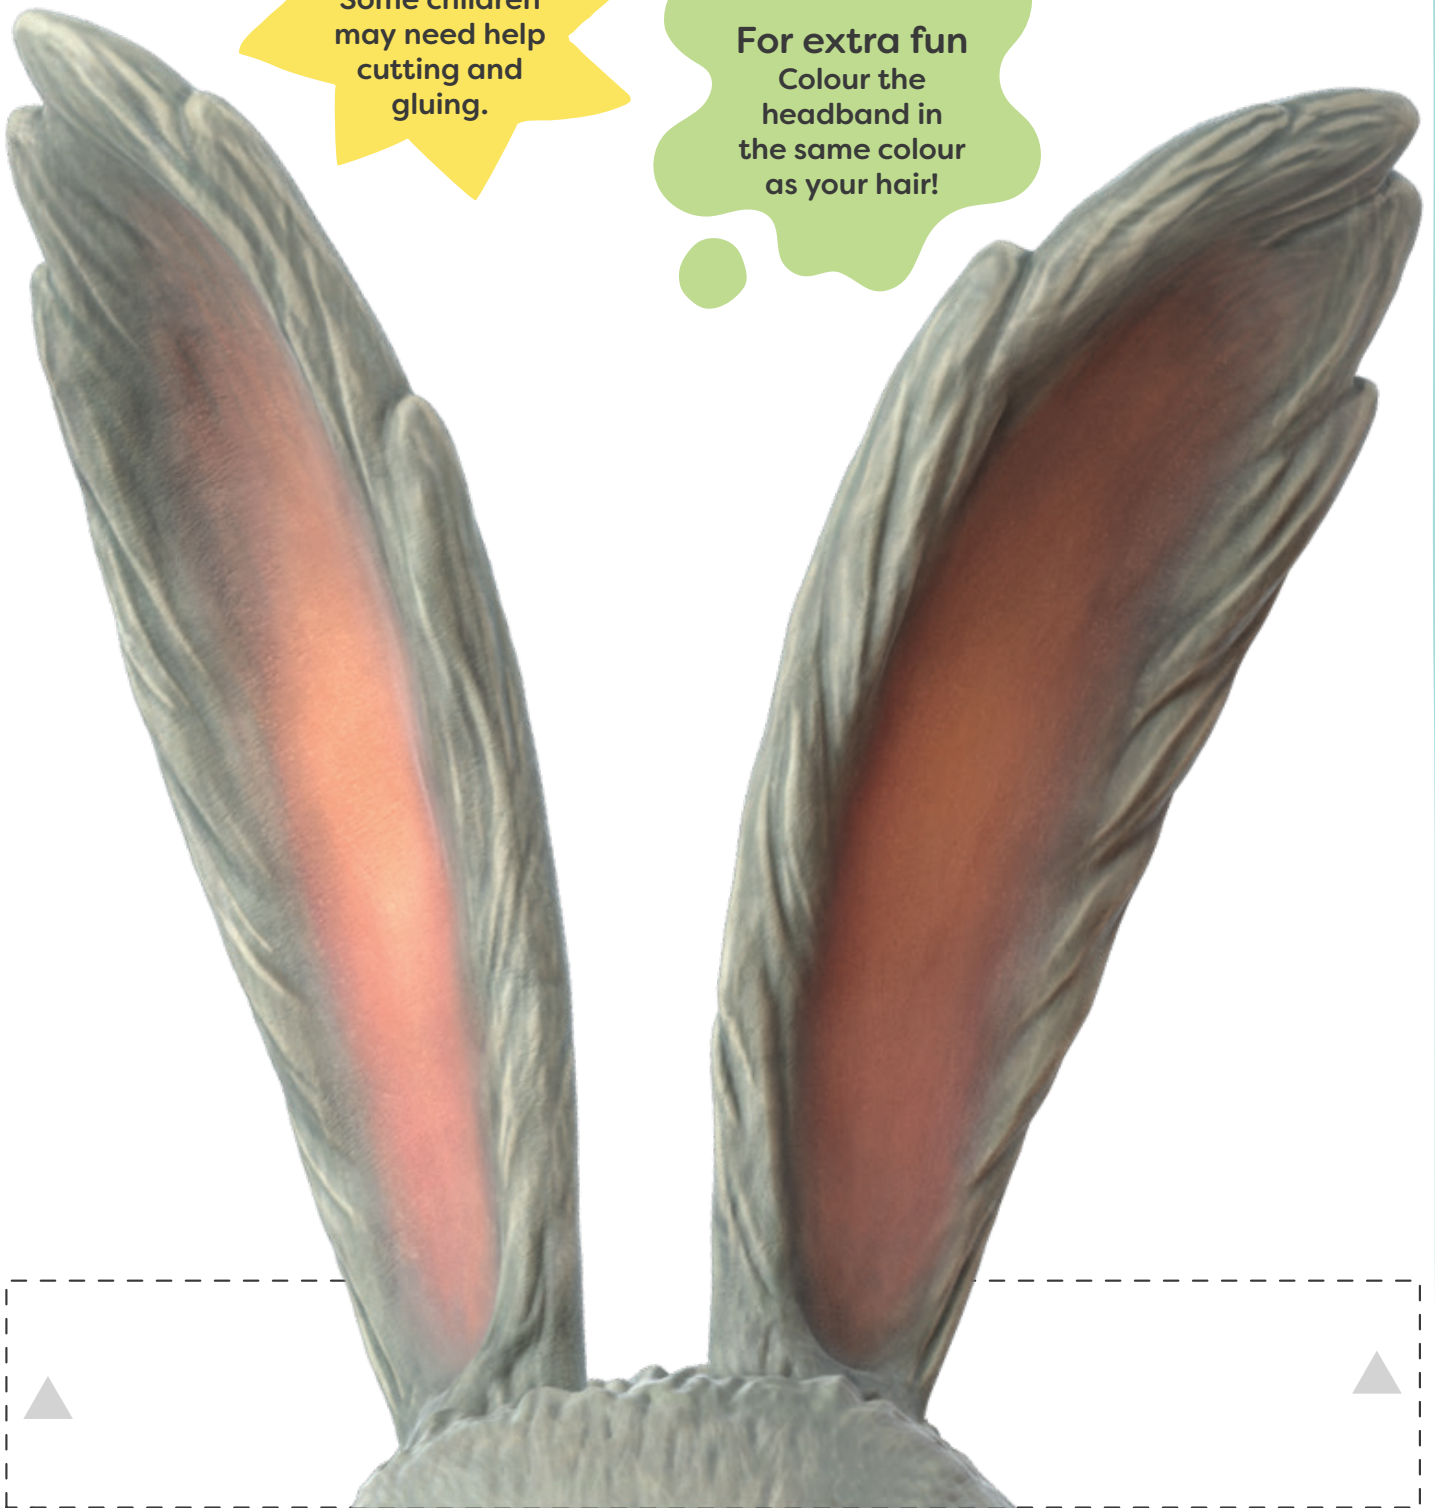

When you  
line up the guide  
triangles, the sizing  
cut lines will be  
opposite each  
other.

Pip's  
Penguin  
Pirate  
present!

 @pipandposyworld

Posy is  
giving Pip a Penguin  
Pirate. Can you  
find 5 more  
hiding in the  
picture?

You will need  
twigs • leaves •  
pine cones • bark  
and other natural  
things collected  
on your adventure  
• string • scissors

Pip and Posy love worms  
and bugs and playing outside with  
their friends. Make a Bug Hotel for little  
bug buddies, like Posy does for her  
Spotty Dotty ladybird friend.

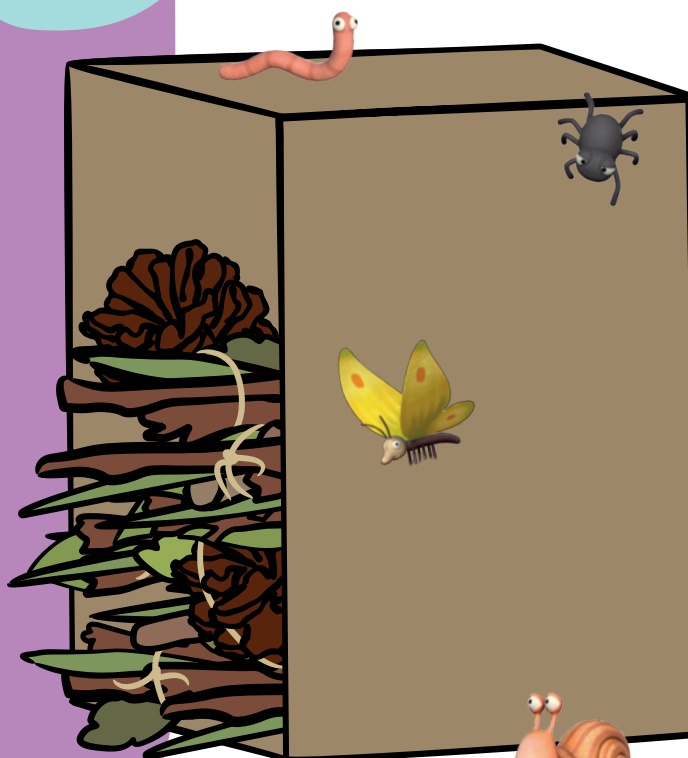

**Tip**  
Some children  
may need help  
cutting and  
tying.

## Instructions

1. Find a handful of twigs and leaves. Take extra care not to pick up anything spiky!
2. Get two pieces of string from the craft table.
3. Hold your twigs and leaves in one hand like you are holding a lollipop.
4. Wrap one string around the end nice and tightly and tie together like shoelaces.
5. Hold the end of the twigs and leaves you have tied.
6. Repeat step 4 with the second string.
7. Add your stick bundle to one of the bug hotel pallets or boxes
8. Remember to pop back to see if any bugs have moved in!
